Our Roles

1. Supportive Partner in Education

- Complement the school by aligning with their objectives, supporting and strengthening their programmes to improve Bowenian Teens' well-being and learning.

2. Bridge Between Bowenian Parents and School

- Listen actively to Bowenian Parents on school's operations, practices and programmes, and provide feedback and concerns to the school.
- Facilitate school's communication to Bowenian Parents.

Our Mission & Vision

Mission

- We work very closely with the school; we ensure that our communications are aligned with the school's objectives, and that we render support towards their initiatives and programmes to improve Bowenian Teens' learning and growing journey.

Vision

- We aim to be a supportive partner in education, to be the bridge between Bowenian Parents and the school and through our continuous visibility and activities, we inspire Bowenian Parents to be engaged and involved in their Bowenian Teens' journey in school and life.
