

4 January 2022

Dear Parents/Guardians of Secondary 4 / 5 Students,

WELCOME TO TERM 1 2022

1. On behalf of the school and staff, we extend a very warm welcome to you in 2022! We hope that you have spent a meaningful and restful year-end holiday with your child/ward.
2. Although the challenge of a global pandemic remains, we now have greater confidence in living with Covid-19 as a nation. While continuing with the necessary Safe Management Measures (SMM) to safeguard the well-being of all our students, we have planned to carefully phase in more activities (in line with prevailing national posture). Our wish is that Bowenians can view the future with a renewed sense of optimism through their schooling experiences.

In the past year, we rose to the challenge of redefining teaching and learning, including through Blended Learning and leveraging the use of Personal Learning Devices. This has enabled our students to become more future-ready learners as well as customise their own learning. We will continue to ride the sea of change and keep a steady course. Building on our existing efforts, Bowenians can look forward to curricular enhancements such as greater frequency and variety in Blended Learning, new productivity tools, as well as greater emphasis on their holistic well-being. We look to parents for your continued support for these initiatives in 2022.

Our students have always been at the heart of what we do, and it is our students who have driven Bowen Secondary's efforts and achievements for the last 40 years. In 2022, we will also mark 40 years of excellence with opportunities for Bowenians to celebrate our collective strengths meaningfully and co-create the future together with hope, confidence and purpose.

3. As we embark on the new school year, we would like to provide you with key updates for Term 1 for our Sec 4 / 5 students.

A. Update on Safe Management Measures (SMM) & First Week of School

4. **Bowen Secondary will continue to implement the necessary SMM in line with MOE Directions to keep students and staff safe.** We will remain vigilant in checking in on our students and look after their well-being.
5. Please remind your child/ward to observe all SMM such as proper mask wearing, social distancing and personal hygiene (e.g. washing/sanitising hands) at all times. Students are also expected to bring their thermometer and TraceTogether token to school every day.
6. Your child/ward **should not** come to school and should **inform Form Teachers (FTs)** immediately if he/she is:
 - Unwell (e.g. with flu-like symptoms – he/she should see a doctor and get a MC)
 - ART positive
 - PCR positive
 - Serving SHN due to recent travel
7. Your child/ward should also **inform FTs** if a household member is **tested PCR positive**. If your child/ward is issued with a **Health Risk Warning (HRW)**, he/she will also need to **inform FTs**. Your child/ward will be allowed to come to school if he/she is **well** and **tests ART negative** before leaving home. Your child/ward will need to submit photo evidence of the ART test result to FTs with the kit clearly labelled with his/her **name** and **date each day** before coming to school i.e. on the morning

itself, not the night before. Your child/ward **will not be allowed** to come to school **until the ART test is taken (with a negative result).**

8. FTs will also remind/update students on SMM on the first day of school.
9. In the event your child/ward has to miss school, his/her learning will be supported. FTs will assign a buddy to update your child/ward on the lessons and collect his/her worksheets. Please encourage your child/ward to be proactive in finding out on what he/she has missed from his/her buddy.
10. To ease the transition back to school and to stagger the dismissal time for our students, please take note of the dismissal time for your child/ward for the first week of school as follows:

F. e-Student Handbook

20. With PDL and the aim of imbuing greater student agency, the Student Handbook from 2022 will be in digital form. All students will receive the 2022 e-Student Handbook by Term 1 Week 4. The Handbook will include important information such as school rules, the school calendar, curriculum hours, and progression criteria. Students should exercise their self-directedness and self-management skills to use their e-handbook to keep track of homework and other tasks.

G. Bowen Device (HP) Policy [New]

21. With the availability of Personal Learning Devices (Term 2 onwards for Sec 1s) and lockers for all students, they will be required to keep their handphones or any other electronic devices in their lockers during curriculum hours (which includes recess, CCA, etc.). Students can retrieve and use their handphones after curriculum hours/school dismissal at the canteen or foyer only.
22. Given the ubiquitous nature of technology, we hope that this practice will encourage our students to develop self-regulation in using technology wisely, "Disconnect to Connect" with their peers, reduce screen time, as well as prevent damage to, loss or theft of their devices. It will also allow them to better leverage their Personal Learning Devices as the main tool for learning without distractions from social media, game notifications and chats during curriculum time.

23. The school will be briefing students on the new device policy and we believe that our students will be able to abide by it. However, there may be consequences (e.g. confiscation of handphone) should students be found flouting the rules.
24. The school seeks parents/guardians' support for the new device policy and help our students to use technology responsibly and appropriately. Should you need to contact your child/ward during curriculum hours due to any urgent matters, please contact the General Office at 6385 9466.

H. SMS Notification for Absenteeism [New]

25. From Wed 5 Jan, parents/guardians (i.e. primary contact person) will receive a SMS notification from school by 10.00am if your child/ward is absent from school. Kindly ensure your handphone number is updated in the school system through the Individual Student Details Report (see Section I below).
26. Should you need to verify your child's/ward's attendance, please contact the General Office or his/her FTs at 6385 9466.

I. Individual Student Details Report

27. All students will receive their pre-printed **Individual Student Details Report** from their FTs on **Tue 4 Jan**. Please check that the relevant information is up-to-date. Should there be any changes (e.g. change in phone number, address, student's name), please update the form (indicate in red) and return it to FTs through your child/ward by **Fri 7 Jan**. As the form contains sensitive information, please remind your child/ward to keep the form safe and hand it to their FTs as soon as possible.

J. Canteen Matters

28. The canteen Chinese Rice and Western stalls have ceased operations and the school is currently sourcing for replacements that can start as soon as possible. As we foresee longer queues during meal times, you may wish to consider packing healthy snacks or other food that will not spoil easily, so that your child/ward can have his/her meal more readily during recess/lunch hour. Your understanding on this matter is much appreciated.

Thank you for your support and for partnering us closely as we nurture our students to be future-ready Passionate Learners, Leaders and Champions.

Yours faithfully,

Mr Loh Chih Hui
Principal

ANNEX A - AForte Elective Module Programme for Secondary 4 NA and 4 NT students

1. Your child/ward will be attending a 3 days Elective Module (EM) Programme on **12 – 14 January 2022** (Wednesday to Friday) at **8am – 4pm** on all days.
2. The aims of EM are to expose students to possible careers that they may wish to pursue in the future, and to provide them an opportunity to experience actual practices used in the industries.
3. In 2021, your child/ward was given the opportunity to indicate his/her interests. After consolidation, your child/ward will be attending one of the four Elective Modules below:
 - Aeronautics Engineering
 - Entrepreneurship & Retail
 - Food Culinary
 - Photography
4. We have allocated the EMs taking into account the students' choices, within the number of places offered by each EM. Nonetheless, we will work with the students to make the most of their learning whichever EM they are allocated.
5. The EMs will be conducted based on the timing indicated above for all the three days. Students will report to school at 7.30 am as usual in school attire. The EMs will be held in school and external venue(s) related to the EMs. More information will be provided to the students nearer the programme date. We seek your support in encouraging your child/ward to attend all three sessions and participate actively in all the activities. At the end of the EM, your child/ward will present/showcase what he/she has learnt, to practise his/her presentation skills. He/she will also receive a certificate of completion.
6. As the Ministry of Education (MOE) subsidises a large part of the cost (actual cost: ~\$300), students will only co-pay \$50. This can be paid through their Edusave account. For students without an Edusave account or have insufficient funds in their Edusave account, payment can be made by cash or GIRO deduction. Form Teachers will notify these students through the school bill.
7. Your child's/ward's attendance for this programme is **compulsory**. Should he/she miss any of the sessions without a valid medical certificate, disciplinary action will be taken against your child/ward and he/she may be liable to pay the full course fee.
8. For more information about the EM programme, please contact Mrs Normala Chang (Head/Normal Course) at 6385-9466. Thank you.
