VICE PRINCIPAL'S ADDRESS

Welcome Back!

Briefing Slides for Release of 2023 GCE O-Level Results

Dear students,

You have worked hard to reach this stage. Let's celebrate our efforts!

Finally, we are about to receive our results!

**Remember that while everyone's
educational journey is different,
we can each have a fulfilling outcome!**

Thinking about Your Next Step?

Consider these questions!

Where do I want to go?

Who am I?

How Do
I Get There?

Resources to help you make informed decisions

MySkillsFuture Student Portal

A one-stop portal that empowers you to embark on a journey of self-discovery and make informed education and career choices.

Use the information and tools to explore various education and career pathways and take charge of your future.

Concerned About Your Next Step?

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

If you have any questions about your options or are not coping well, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, ECG Counsellor, School Counsellor or a friend whom you can talk to.

Support is readily available for you.

Reach out to an ECG Counsellor!

*Who can we go
to for ECG
advice?*

Make an appointment to speak
with your ECG Counsellor in school.

OR

Make an ECG counselling
appointment via the
ECG Centre @ MOE (Grange Road)
at

Keep a lookout for some of these signs in your peers or yourself.

have a chat with your school counsellor or teacher

Or contact SOS 24-hour hotline at **1-767** or **1800-221-4444**

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress. You can support them in the following ways:

How can I support my friend?

Calm them down

Are you ok? Calm down, take some deep breaths.

Hear them out

What happened?

Empathise with them

I understand it can be a tough time. I'm here for you if you want to talk.

Encourage seeking help

Is there someone you can talk to about this issue?

Refer to a trusted adult

Teacher, I am worried about my friend.

**The O-Level
examination is not
the destination.**

**It is part of your
education journey.**

To 2023 Cohort,

You have encountered successes and overcome challenges (such as COVID-19), seizing on the opportunities to grow in mind and character.

May you continue to shine and
